Our Scriptural focus for July, August and possibly September continues to be **Revelation**. This study will look at the context of the time in which the book was written and the references past, present and future in context with the Sovereign plan of YHVH. We continue to pray that the Ruach Ha Kodesh will give us deeper insight into this unsealed book as spoken by the angel in Revelation 22:10, "Don't seal up the words of the prophecy of this book, because the time of their fulfilment is near. ...."

*Looking ahead - We are privileged to have been invited to host some overseas guest speakers. Please diarise, and be prepared to help with extra monetary Tzedakah, extra food, set up help, and letting the wider believing community know about the visits.*

**August 7th:** We particularly welcome this month the visit of **Mark Van Neikerk** from Hazor'im, who will share with us their vision and ministry to Israél regarding Messiah Yeshua. Mark has a great deal of experience in the land and will be calling for volunteers to receive training for a three week trip to Israel in May next year. We also welcome Anton Heyns and his team from Calvary Coastal Fellowship on the Hibiscus Coast, who is part of the Hazo'rim evangelical team. We appreciate those who are earnest as we are, to share about Messiah Yeshua in the context of his Jewishness with his own people, Israel. *Mark and the team hope to join us in worship and join us for lunch before presenting their work at 1.00.p.m.*

**October 30th:** David and Josie Silver, emissaries from Out of Zion - Israel

**March 19th 2011:** Jacob and Elishiva Damkani, emissaries from Trumpet of Salvation to Israel, also from Israel.
